Melbourne

Introduction
Melbourne is the best city in Australia! I think this because it's the capital city of Victoria it's also the city I leave in.

Main Reason 1
It has a mix of different cultures from all over the world.

Facts or Examples
1. Sydney Rd has heaps of different restraints from different countries.
2. There is different people from different countries roaming around the streets getting along.
3. Everyone has respect for people no matter what their background is.

Main Reason 2
Good tourist attractions.

Facts or Examples
1. Federation Square has a mix of art and culture. It also has some of the history of Australia.
2. The City has amazing scenery and sociable people.
3. The Eureka Sky Deck has amazing scenery of all of Melbourne.

Main Reason 3
Easy to get around and not too crowded.

Facts or Examples
1. There is many supermarkets in each town in Melbourne.
2. Hospitals are everywhere.
3. Restaurants and Take-away shops are on every road.

Conclusion
Melbourne is the best city in Australia because it has great scenery and easy to get around. It also has unbelievable food and culture.
